# INTUITION & CREATIVITY DEVELOPMENT PROGRAM

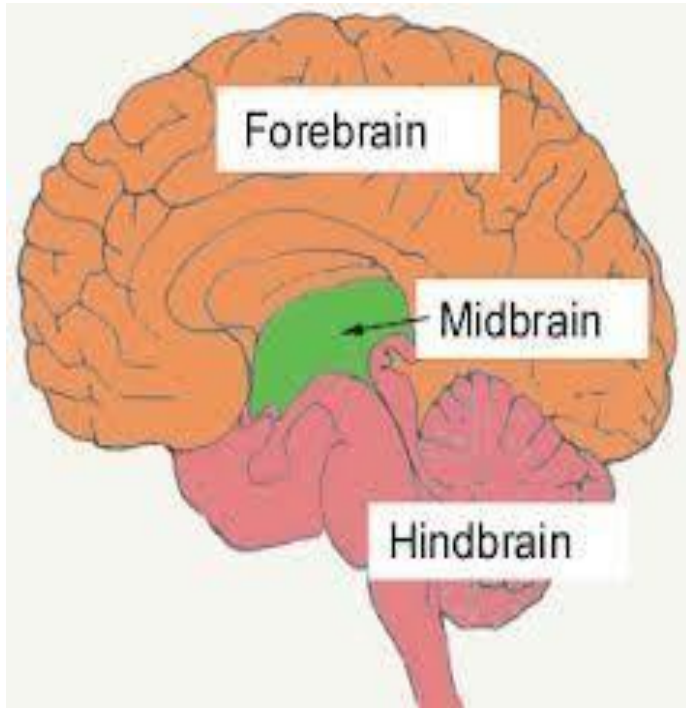

*Based on Midbrain Activation*

ACADEMY OF  
HUMAN  
EXCELLENCE

# WHAT IS IDP?

- ❖ This is a scientifically designed workshop for the children to develop their Intuition Power to bring out the Best in them.
- ❖ This is based on the latest techniques of Midbrain Activation.

## WHAT ARE THE BENEFITS?

- Improvement in Memory, Focus and Concentration.
- Improvement in overall Mental, Emotional and Physical Health.
- Improvement in Intuitive and Sensory powers.
- Positive changes in Confidence, Habits and overall Behavior.
- Overall improvement in Academics, Sports, Arts, Extra Curricular Activities and others areas of Life..

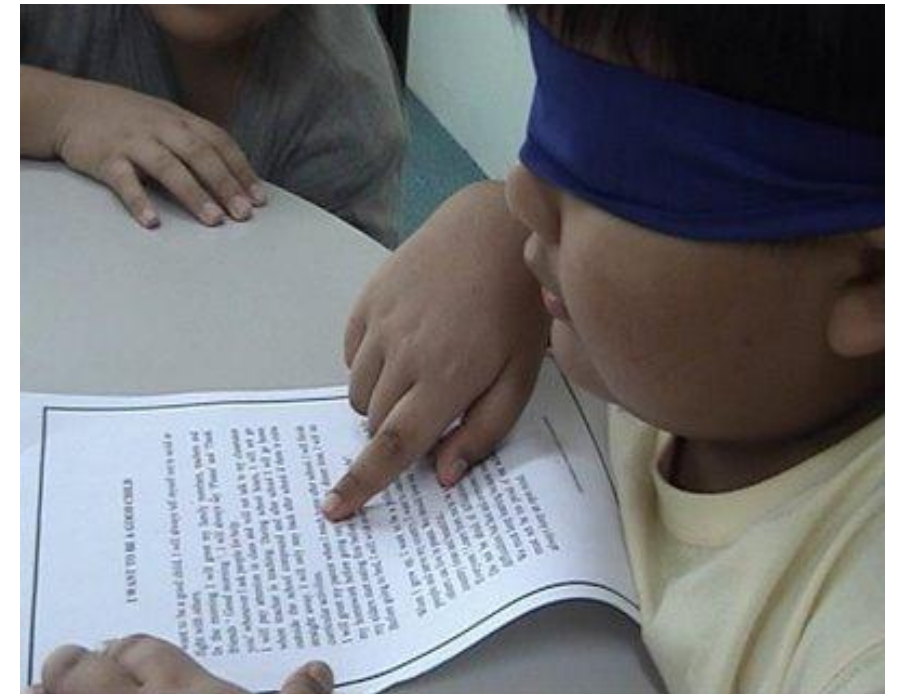

# BLINDFOLD READING?

Yes, Some of the children can identify the colours, shapes and picture with a blindfold on their eyes.

We suggest parents to look at it as a byproduct of overall development in the child and not the ultimate goal to do this course.

Blindfold reading is an exercise given to children to improve their Intuition Power.

## HOW THIS IS ACHIEVED?

- The program includes scientifically designed Brain Gyms, Eye Ball Exercises, Breathing Exercises, Meditation and the most important part is Midbrain Activation Audio.
- Activation Audio is in the form of the Music which emits the particular pattern of Brain Waves activating the Whole Brain of the Children.

## ANY SIDE EFFECTS?

- This audio is safe because there has never been side effect found against the children.
- The Exercise's administered are Scientific and safe.
- However we suggest parents to consult their doctor if their children have heart problems, a history of mental illness, epilepsy history or any other serious health reasons.
- Children enrolling should be in good physical and mental conditions.

## WHAT NEXT?

- Motivate your children to undergo this workshop. Do not force them to participate. Tell them, it would be Fun! And yes, we guarantee that they will enjoy and find a new extended family and friends!
- Parents ( preferably both) are requested to attend the sessions for parents in this workshop to understand their role in bringing out the Best in their children.
